Notice of NCAA Probation
From 2007 to 2010 the University of Nebraska unintentionally reimbursed student-athletes for recommended textbooks as well as required textbooks through a failure to properly administer and monitor book scholarships. Only reimbursement for required books is permissible under NCAA rules. As a result, the NCAA placed the University of Nebraska on two-year probation, beginning in January of 2012. The NCAA did not impose additional penalties such as loss of scholarships, forfeiture of games, or a ban on postseason play. Rather, as a condition of probation, Nebraska will continue to educate student-athletes and staff thoroughly on NCAA bylaws and will notify prospective student-athletes of its probationary status.

COMPLIANCE GUIDELINES FOR NU BOOSTERS

The University of Nebraska Athletic Department takes great pride in abiding by the National Collegiate Athletic Association (NCAA) and the Big Ten Conference rules and guidelines that govern Division I competition. For the benefit of the many alumni, fans and booster club members who are so active in supporting and assisting the Huskers throughout the year, we would like to remind everyone of a few definitions and rules that apply to all athletic representatives and boosters.

NCAA PRINCIPLES

Institutional Control

It is the responsibility of the University of Nebraska to control its intercollegiate athletic program in compliance with the rules and regulations of the NCAA.

Responsibility

The University of Nebraska's responsibility for the conduct of its program includes responsibility for the actions of its staff members and for the actions of any other individual, booster or organization engaged in activities promoting the athletic interests of the institution.

Compliance

The University of Nebraska must monitor its program to assure compliance and to identify and report to the NCAA instances in which compliance has not been achieved. An institution found to have violated NCAA rules is subject to disciplinary and corrective actions as determined by the NCAA.

QUESTIONS AND ANSWERS FOR FANS, BOOSTERS, ALUMNI AND REPRESENTATIVES OF ATHLETIC INTERESTS

Definitions

Q: What is a booster?

A: Someone who belongs to a University of Nebraska athletic booster club; promotes or makes financial donations to the athletic department or a specific Husker team; assists in the recruitment of prospective student-athletes; employs, gives benefits to, or provides services to a student-athlete, a prospective student-athlete or the relative/friends of either.
REPRESENTATIVE OF ATHLETIC INTEREST (I.E. BOOSTERS), NCAA BYLAW 13

Q: Who is a Prospective Student-Athlete?

A: A prospective student-athlete is a student who has started classes for the ninth grade or above, including students in prep schools and junior colleges as well as students who have officially withdrawn from a four-year institution and plan to transfer to another institution. In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete if the institution or a Nebraska booster provides the individual or the individual's relatives or friends with any financial assistance or benefits that the institution does not provide to prospective students in general. A good rule of thumb is to treat ALL STUDENTS as prospects.

Q: Who is a Student-Athlete?

A: A student-athlete is a student whose enrollment was solicited by a member of the Nebraska athletic staff or other representative of athletic interests with a view toward the student's ultimate participation in the intercollegiate athletic program.

Q: What is Contact?

A: Contact is ANY face-to-face encounter between a prospect, or the prospect's parent or legal guardian, and a Nebraska staff member or athletic representative during which any dialogue occurs.

Q: What is Recruiting?

A: Recruiting is any solicitation of a prospect or a prospect's family member (or guardian) by an institutional staff member or by athletic representative of the institution, for the purpose of securing the prospect's enrollment and ultimate participation in Nebraska's intercollegiate athletic program.

GUIDELINES

Q: Who is a Booster?

A: Someone who belongs to a University of Nebraska athletic booster club; promotes or makes financial donations to the athletic department or a specific Husker team; assists in the recruitment of prospective student-athletes; employs, gives benefits to, or provides services to a student-athlete, a prospective student-athlete or the relative/friends of either.
REPRESENTATIVE OF ATHLETIC INTERESTS (I.E., BOOSTERS), NCAA BYLAW 13

Q: What constitutes impermissible contact by a Booster?

A: Phone calls to prospects (9th to 12th grade) and their relatives placed for recruiting purposes (questions about the athletic program at Nebraska must be directed to the coach); writing, paging, text messages or instant messages to a prospect to encourage Nebraska attendance; contact with a prospect at a high school or club contest; contact with a prospect or his/her coach, principal, or counselor to evaluate the prospect; visiting the prospect's educational institution to pick up videotape or transcripts for evaluation purposes; contacting a prospect to congratulate him/her for signing a National Letter of Intent to attend Nebraska; giving anything of value to a prospect to induce him/her to attend Nebraska; contact of any kind while the prospect is on the Nebraska campus for an official or unofficial visit.
RECRUITING CONTACTS, NCAA BYLAW 13

Q: What are the rules of employment for a student-athlete?

A: A student-athlete may be employed during the academic year or summer vacation period; receive compensation equal to the going rate for similar services in the locale; receive compensation only for work performed; accept employment from more than one employer and earn unlimited income; receive benefits provided to all other employees; teach sport-related individual skill instruction or fee-for-lesson sessions. A student-athlete may not conduct personal sport camps or promote, market, advertise or endorse a commercial business or product.

Only benefits that are authorized by NCAA legislation shall be provided to and accepted by a student-athlete. It is not permissible for a student-athlete to receive a benefit that is the result of a "special" arrangement by an institutional employee, booster, employer or fan.
EMPLOYMENT, NCAA BYLAW 12

Q: What are non-permissible benefits?

A: Free or reduced-fee housing/rent including the use of vacation or seasonal homes; free or reduced-fee meals; loans or cash advances in pay or salary; tuition costs or school supply expenses; gifts or presents of any type regardless of the occasion or purpose; use of telephone for long distance or use of telephone cards and cell phones; free use of any motor vehicle, boat or recreational vehicle; free use of services (i.e., automobile repair, hair care, laundry, copying, faxing, etc.); free or reduced-fee memberships at golf course, health clubs, etc. (This list is not exhaustive. Only benefits that are authorized by NCAA legislation shall be provided to and accepted by a student-athlete. It is not permissible for a student-athlete to receive a benefit that is the result of a "special" arrangement by an institutional employee, booster, employer or fan).
BENEFITS AND PREFERENTIAL TREATMENT, NCAA BYLAW 16

Q: What types of promotional activities may the student-athlete be permitted to participate?

A: Charitable, educational or non-profit promotions and events with requested approval from the Athletic Compliance Office prior to the event.

Q: What types of promotional activities are not permissible?

A: Any fundraising activity that supports a high school organization or group that assists prospective-aged students; use of his/her name or picture; or appear to promote or market a commercial business or product.
PROMOTIONAL ACTIVITIES, NCAA BYLAW 12

THE BIG TEN CONFERENCE

Formed more than 116 years ago, the Big Ten Conference is an association of world-class academic institutions with shared values and goals. Since its inception in 1896, the pursuit and attainment of academic excellence has been the priority for every member institution. However, maintaining the conference's status as one of the preeminent athletic conferences in the country also endures as an important component of the Big Ten student-athlete experience. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its student-athletes not only on the field and in the classroom, but around the world as well.

James E. Delany
Commissioner

Academics

All Big Ten Universities have been granted Tier One Status by the Carnegie Foundation for the Advancement of Teaching, a distinction awarded to just over 100 universities. Big Ten schools have produced more than 1,400 Academic All-Americans, more than any other conference, including 36 in the last academic year.

The Big Ten leads all conferences with the highest number of ranked graduate school programs among the top 25 according to U.S. News and World Report in 2012. The Big Ten ranks first with 30 top-25 programs in the fields of law, medical (research and primary care), business, engineering and education.

Successful Programs

During the 2011-12 season, the Big Ten claimed seven team national championships, including titles for Illinois men's gymnastics, Minnesota women's ice hockey, Northwestern women's lacrosse, Ohio State fencing and synchronized swimming, Penn State wrestling and Wisconsin men's cross country.

The Big Ten led all conferences with national titles in 12 different NCAA-sponsored championships from 2002-03 to 2011-12. Over that time period, the Big Ten produced championships in cross country, fencing, golf, gymnastics, ice hockey, lacrosse, soccer, softball, tennis, track and field, volleyball and wrestling.

Student-Athlete Opportunities

Big Ten universities provide over $136 million in direct financial aid to nearly 10,000 student-athletes, more than any conference.

The Big Ten sponsors 25 official conference sports, 12 for men and 13 for women. The 26th conference sport, men's ice hockey, will begin in 2013.

Television Exposure

The Big Ten's media agreements with CBS Sports, ABC/ESPN, FOX and the Big Ten Network (BTN) provide the conference with its greatest television exposure ever. Nearly 1,000 Big Ten events are produced and distributed nationally on an annual basis.

In 2006, the Big Ten created the first national conference-owned television network, the BTN. It launched on Aug. 30, 2007, and now is in its sixth year of operation. BTN is in 51 million homes in the United States and Canada, through agreements with more than 300 cable, satellite and telco providers, and is available internationally in 20 countries.

Attendance

Big Ten fans are some of the nation's most supportive, with more than 10 million patrons attending conference home contests during the 2011-12 seasons for football, men's and women's basketball and volleyball alone.

Honoring Legends. Building Leaders.

The mission of the Big Ten Conference has always been to excel athletically without compromising the priority our member institutions assign to their academic standards and to their commitment to student academic success. We seek to celebrate the many accomplishments of Big Ten student-athletes while continuously reinforcing each of our member institutions' high academic standards. Striking that important balance between academics and athletics is integral to the Big Ten's identity, and the Big Ten's "Honoring Legends. Building Leaders." campaign links directly to the Big Ten mission.

2013 NEBRASKA WOMEN'S GYMNASTICS

Jessie DeZiel
2012 First-Team All-American (Floor, All-Around)

Janelle Giblin
2012 First-Team All-American (Vault)

Emily Wong
2012 First-Team All-American (Beam)

Now in their second season as members of the Big Ten, the defending conference champion Nebraska women's gymnastics team will set their sights even higher in 2013. NU returns seven total letterwinners from last season, including six All-Americans, while adding four newcomers to the roster. With a solid core of veterans and a stockpile of talent and depth, Head Coach Dan Kendig believes his 20th season with the Huskers has the makings of a top team on the national scene.

"We've come a long way since the beginning of the year and put in a lot of work in the gym, the community and the classroom," Kendig said. "Top to bottom, this season can be better than last season. If we keep working hard each day and getting better, I see good things on the horizon for this year."

Kendig is joined on his coaching staff by returning assistants Dan Miller and Heather Brink and volunteer assistant Owen Field. Miller will lead NU's vault and floor squads for the second season, while Brink will coach the Huskers' beam exercises and assist with floor choreography.

Leading the Way

- Returning Huskers

Nebraska's core of seven returning letterwinners will lead the Big Red into a loaded schedule of Big Ten opponents this season. Senior Janelle Giblin, a two-time first team All-American, will anchor the Huskers' efforts in 2013. Giblin's strength and consistency in all four events will aid the Huskers throughout the season.

A native of San Ramon, Calif., Giblin collected 15 individual event titles during her junior campaign in 2012, highlighted by nine titles on bars and an additional five on vault. She will be counted on to power NU's efforts on bars and vault while also contributing as an all-around competitor.

"Janelle's done a terrific job and been a big part of our success the last several years," Kendig said. "She'll be one of the leaders heading into this year as far as her ability to perform and to help her teammates."

Kendig and the Huskers are also excited to see the return of senior Kassandra Nathe to the lineup this season. After battling injuries the past two years, the Sartell, Minn., native will look to end her career at Nebraska on a high note. A second-team All-American on bars in 2010, Nathe will re-enter NU's lineup as a two-event specialist. Nathe has been a role model for the Huskers in the classroom throughout her career and was a Nebraska Student-Athlete HERO Leadership Award winner in 2011.

"Kassandra has gained an interesting perspective from being injured," Kendig said. "She is a returning All-American and she's aggressive and confident. I think she's ready to go out and make a difference this season."

The final returning senior on Nebraska's roster in 2013, Brittany Skinner has been a powerful performer and all-around competitor for the Huskers. A two-time All-American from Los Altos, Calif., Skinner set career bests on vault (9.925), beam (9.875), floor (9.875) and in the all-around (39.35) last season.

"Brittany is an x-factor," Kendig said. "She has worked extremely hard this year and she's taken on some leadership as well. If she is 100 percent on all four events, she can really make a difference."

A native of Lincoln, junior and All-American Jamie Schleppenbach will bring big talent to NU's vaulting lineup this season. Schleppenbach proved her mettle as an all-around competitor last season, scoring a career-high and meet-best 39.575 and powering NU to a road win over Utah late in the season.

The defending Big Ten all-around champion, Emily Wong will return her big talents and skilled beam routine to the lineup for the Huskers this season. Wong hails from Grand Forks, N.D., and earned her second career first-team All-America honor

HUSKERS LOOK TO BUILD ON STRONG 2012

last season, placing 10th nationally on beam. Wong captured five beam titles last season while posting a career-high 9.925 two times.

One of the biggest difference-makers on last season's squad, sophomore Jessie DeZiel captured first-team All-America honors on floor and in all-around competition in her first year as a Husker. The Rogers, Minn., native was the Big Ten Freshman of the Year and won a team-best 16 individual titles in 2012 in addition to seven all-around titles. The vault, floor and all-around champion at the NCAA Salt Lake City Regional, DeZiel will be counted on for big contributions in 2013.

Sioux City, Iowa native Jennifer Lauer competed in three events last season for the Huskers, providing depth on vault, beam and floor. An NACGC/W Scholastic All-American in 2012, Lauer competed at NCAA Regionals and the NCAA Semifinals for the Huskers.

Sophomore Desiré Stephens rounds out the NU letterwinners from 2012. Hailing from Omaha, Neb., Stephens primarily contributed depth on vault in her freshman campaign, including a 9.825 in her Husker debut against Minnesota. Stephens was also a leader in the community for the Huskers, earning a Nebraska Student-Athlete HERO Leadership Award in 2012.

Nebraska will also return Amanda Lauer and Kailyn Hawkins. The pair, who both earned NACGC/W Scholastic All-America honors last season, will look to break into NU's lineup in 2013.

Huskers Welcome Talented Newcomers

The Huskers will welcome four skilled newcomers from across the Midwest to the gym this season. Jordyn Beck, Hollie Blanske, Ariel Martin and Madison McConkey will help the Huskers fill several important voids in their lineups in 2013.

"The freshmen are settling into knowing what's expected," Kendig said. "I think they're going to be able to help this team be better on all four events for sure."

Beck arrives at Nebraska from Overland Park, Kan., where she trained at McCracken's Gymnastics. An international elite level gymnast, Beck won a total of 15 event and all-around titles in the state of Kansas during her prep career. Beck is a versatile athlete with the capability to contribute on several events this season for the Huskers.

A native of Oak Grove, Minn., Blanske joins the Huskers from the same club that produced current NU All-Americans DeZiel and Nathe. A Junior Olympic National all-around champion and two-time Junior Olympic National team member, Blanske is an exciting addition to the Husker roster and will be looked to for big contributions in her first year with the Huskers.

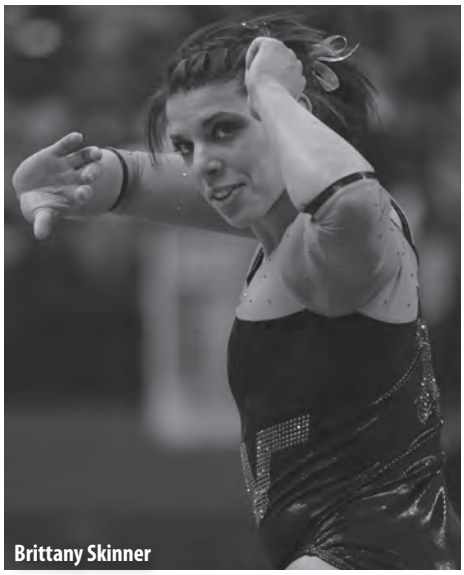
Martin comes to NU from Chicago, Ill., and the Illinois Gymnastics Institute. A Junior Olympic National Qualifier and four-time Region V champion, Martin will bring a much-needed powerful vault and solid floor routine to the gym this season.

Nebraska's final newcomer this season is McConkey, A Lincoln native who trained at the Nebraska School of Gymnastics alongside Husker teammate Schleppenbach. McConkey, a Region IV runner-up in all-around competition and a three-time Junior Olympic National qualifier, has the potential to break into the Husker lineup on several events this season.

Event Preview: Vault

- 4 All-Americans: Giblin, Skinner, Schleppenbach, DeZiel
- All-Big Ten: Schleppenbach, Wong

With four gymnasts who have earned All-America honors during their careers returning, vault should be one of the deepest and most talent-heavy events for the Huskers this season. Giblin picked up first-team honors last season, while DeZiel added second-team accolades. Schleppenbach earned first-team honors in 2011, and Skinner was a first-teamer in 2010. In addition, Wong was an All-Big Ten Championship Team selection on vault in 2012.



Brittany Skinner

Kassandra Nathe

Skinner, Jennifer Lauer, Nathe and Desiré Stephens will add experience to Nebraska's vault lineup. Sophomore Hawkins and true freshman Martin will also get a good look on the event for the Huskers.

"The depth and competition we have on vault will ultimately make all of us better," assistant coach Dan Miller said. "It also gives us a chance to rotate different girls into the lineup for experience and rest. At the end of the year, we should be a fresher, stronger team."

Event Preview: Uneven Bars

-3 All-Americans: Giblin, Nathe, Wong

-All-Big Ten: Giblin

Nebraska will return three All-Americans on bars this season, led by 2012 second-team honoree Giblin. Giblin posted a 9.875 on bars at the Salt Lake Regional and again in the NCAA Semifinals to earn her second All-America honor on the event. Wong became a first-team All-American in 2011, while Nathe captured second-team All-America honors in 2010.

The Huskers will also return several consistent competitors from 2012 in DeZiel, Schleppenbach and Skinner. True freshmen Beck, Blanske and McConkey will also be candidates to see time for the Huskers.

"We are deeper this season on bars than we've been in the past," Kendig said. "We have three returning All-Americans on bars and a lot of people we can choose from for those other spots. If the girls continue to work hard, we're going to have a lot of depth, and when it's all said and done, we should have a pretty strong bar team."

Event Preview: Beam

-2 All-Americans: Skinner, Wong

-All-Big Ten: Wong

The Huskers hit their stride on beam in the middle of the 2012 season, logging four of their top five scores from the beginning of February to early March. Nebraska will return 2012 first-team All-American and Big Ten champion Wong, who captured five individual beam titles last season. Wong will be joined by Skinner, who earned second-team All-America honors on beam in 2011.

The Huskers will also look to returners Giblin, Schleppenbach, DeZiel and Lauer for contributions on beam. Nathe, sophomore Amanda Lauer and true freshmen Beck, Martin and McConkey will get a hard look from assistant coach Heather Brink as well.

"The biggest thing we've seen is that we have a lot more depth this year," assistant coach Heather Brink said. "That raises the bar in competition to make the lineup. I want the girls to be consistent, confident and aggressive competitors. Usually, the team that wins beam is the team that ends up winning the meet. It can be a deciding factor in competition, and we know what we want to do this season."

Event Preview: Floor

-2 All-Americans: Wong, DeZiel

-All-Big Ten: Wong, DeZiel

Though the Huskers lose former first-team All-American Lora Evenstad on floor, they will return a pair of All-Americans in Wong and DeZiel. Assistant coach Dan Miller says he is excited about the depth and competitiveness on floor in the upcoming season.

"I am excited about the depth we have on floor this year," Miller said. "We didn't have that last year. I love the fact that the girls will compete with one another in every day workouts for those spots in the lineup."

DeZiel will be Nebraska's top returner on floor this season after collecting first-team All-America honors on the event in 2012. DeZiel was the Big Ten floor champion and added eight individual floor titles on the season.

NU will also return second-team All-American Wong on floor. Wong earned three floor titles in 2012, including tying with teammate DeZiel for the Big Ten title.

Skinner, Giblin, Schleppenbach and Jennifer Lauer all saw consistent action last season and will have a shot at the lineup in 2013. In addition, sophomores Hawkins and Stephens and freshmen Blanske and Martin will have a chance to round out the rotation for NU.

GUIDE TO WOMEN'S GYMNASTICS

General

Six gymnasts from each team compete on each of the four events. The team score is obtained by adding the five highest scores on each event. Common deductions are landing deductions. One tenth is taken away for each step that the gymnast takes, while half a tenth is taken for a small hop, and two tenths are deducted for a large hop, step or jump. Other deductions include bent arms, legs, toes or leg separation. Falls that occur are deducted five tenths each time. Finally, a gymnast can receive a neutral deduction on balance beam and floor exercise. Neutral deductions are one tenth; and are received for being over time on beam and floor, and for stepping out of bounds on the floor exercise. They occur each time a gymnast violates these rules. Each event, with the exception of vault, has a series of four (bars), five (beam) and four (floor) special requirements (SRs), and omission of any of these requirements results in a two tenths deduction from the start value.

Start Values

Start value for college 9.5, extra .5 earned through bonus
- All judges determine start value
- It is not mandatory that the start values agree

Bonus

Special Connections
- Achieved through unique and difficult combinations
- Special connections have a value of 0.10 or 0.20.
- Bonus points for special connections will be awarded only for good technical presentation

Additional "D/E"
- A maximum of 0.40 may be awarded as bonus points for additional "D/E"
- Additional "D" elements will receive 0.10 bonus points
- Additional "E" elements will receive 0.20 bonus points

Jamie Schleppenbach

Vault

Vault requires speed, quickness and explosive power. Unlike the other events, each vault has its own start value. Deductions are taken from the start value for technical errors in the pre-flight (approach), the block (the rise from the horse), the post-flight (height and distance from the horse) and the landing. Each gymnast will perform only one vault, but has a maximum of three attempts to go over the vault table one time.

Special Requirements
- Must touch the vault table with both hands
- Must land on feet first

Uneven Bars

A bars routine must contain at least two bar changes for the first two SRs. A bar change is when the gymnast moves from the high bar to the low bar or vice versa. It must also contain two release moves. A release move is defined as when the gymnast lets go of the bar with both hands and flips or twists and regrasps either bar. Uneven bar routines must contain change of direction that is at least 180 degrees or more for the fourth SR. The final SR is a dismount. A bar routine must contain at least 10 skills.

Special Requirements
- At least two bar changes
- Two flight elements (minimum of two different "C" elements or a "D" and "B")
- One element with LA (longitudinal axis) turn, minimum of "C"
- A "C" dismount

Balance Beam

The Huskers work to move on the beam like they would when performing on the floor. Their goal is to have routines that set them apart from other teams in the country. The beam is 16 feet long, four feet high and four inches wide. Performing on the beam requires precise movement and intense concentration. A beam routine cannot be more than 90 seconds. The first SR a beam routine must contain is a tumbling series. It must also contain a dance series of two leaps and/or jumps, one of which must have a value of "C" or higher. The gymnast must complete a turn of at least 360 degrees for the third SR. The fourth SR is a leap with large amplitude, which may be part of the dance series or on its own. Finally, the gymnast must dismount the beam as the final SR.

Special Requirements
- One acro series with a minimum of two flight elements (both must start and finish on the beam; one element must be a "C" with or without hand support)
- One dance series of two or more elements (one element at least "C" or higher)
- Minimum of 360 degree turn – no hand support permitted
- One leap, jump or hop requiring a 180 degree split (front or side)
- "C" dismount or "B" dismount preceded by and directly connected to any "C" element (acro/dance)

Floor Exercise

Floor exercise is a combination of dance and tumbling to music on a 12 meter by 12 meter space. The duration of a floor routine should be between 70 and 90 seconds. A floor routine must contain at least two tumbling passes (first SR), one of which contains two saltos (second SR). It must also contain three different saltos within the two tumbling passes (third SR). The final SR is that the routine contains a dismount commensurate with the rest of the routine.

Special Requirements
- One tumbling series with two saltos, same or different
- Three different saltos within the exercise
- Dance series with a minimum of two elements (one "C" element or higher)
- Minimum of "C" salto as the last salto or in the last connection of saltos

COACHES *& Staff*

2013 **COACHING STAFF**

Dan KENDIG

Head Coach • 20th Season
Kentucky (1979)
Two-Time NCAA Coach of the Year (1999, 2003)

When Nebraska Head Coach Dan Kendig was hired in 1993, his goals were to return the Nebraska gymnastics program to national prominence and to have Nebraska in a position to win a national title, while also maintaining the highest standards of academic excellence for Husker student-athletes.

Kendig has not only accomplished those goals, but made them a standard for excellence in his 19-year tenure, as Nebraska is considered among the nation's elite in both the gym and the classroom.

In the past 19 seasons of the existence of the NCAA Super Six Finals, Nebraska is one of only six programs, along with Georgia, Alabama, UCLA, Utah and Michigan, to qualify for nine or more team finals, and the Huskers have earned NCAA Championship berths in 13 of the past 16 years. Under Kendig, 35 NU gymnasts have combined to earn 117 All-America honors since 1995, nearly 10 times NU's previous total during the program's first 18 seasons.

At the conference level, the results are equally as impressive. Nebraska has won 13 of the past 18 conference titles, including an unprecedented six straight Big Eight/Big 12 crowns from 1994 to 1999. In addition, Nebraska has had at least one individual conference champion in each of the past 18 seasons and 10 all-around champions, while seven gymnasts have been conference newcomers of the year.

Since Kendig arrived at NU, his teams have compiled an outstanding 440-170-4 record (.721), including a 291-68-2 regular-season record and a 149-102-2 postseason mark. He has also earned national, regional or conference coach-of-the-year honors in 11 of the past 17 seasons.

Nine of Nebraska's nation-best 13 CoSIDA Academic All-America awards in women's gymnastics have come under Kendig, while he has also produced two NCAA Woman of the Year finalists -- Shelly Bartlett in 1997 and Richelle Simpson in 2005. In addition, Kendig coached Joy Taylor when she became the 1996 CoSIDA Academic All-American of the Year, as well as Simpson, who was recognized with a 2005 NCAA Top Eight Award. Kendig has guided numerous other academic all-conference and NACGC/W Scholastic All-America honorees in his time at Nebraska.

For his accomplishments with the Husker gymnastics program, Kendig was honored by his peers as the NCAA Coach of the Year in 1999 and 2003.

CONTINUED SUCCESS IN 2012

Nebraska put together another outstanding season under Kendig's leadership in 2012, posting a 24-7 record that gave the head coach a 440-170-4 record through 19 seasons at NU. During Kendig's tenure, the Huskers have qualified for the NCAA Championships 15 times, making 10 appearances at the Super Six Finals. Kendig has coached 40 All-Americans to first-or-second-team honors.

The 2012 Huskers qualified for the NCAA Championships, where the team notched an eighth-place finish. Three Huskers garnered a total of eight All-America honors, and all three All-Americans (Jessie DeZiel, Emily Wong, Janelle Giblin) qualified for the individual event finals.

Nebraska's appearance at the NCAA Championships was its 21st overall in program history. In Nebraska's first season of competition in the Big Ten Conference, Kendig guided the Big Red to their first-ever Big Ten Championship, while five Huskers earned All-Big Ten honors. In recognition of his work in the gym throughout the season, Kendig was named the 2012 Big Ten Coach of the Year.

THE FIRST DECADE: SETTING A STANDARD

Kendig's first decade at Nebraska produced its share of memorable moments, including nine conference titles, eight NCAA Championships appearances and the NACGC academic team title in 1995.

In his first season as head coach in 1994, Kendig led the Huskers to their first Big Eight title since 1990, while earning conference coach-of-the-year honors. Seven gymnasts, including Kim DeHaan, who was selected the Big Eight Newcomer of the Year, earned all-conference honors, and Nebraska's fourth-place regional finish was its best in four years.

In 1995, Nebraska continued to move toward national prominence. Behind conference titles from Martha Jenkins and DeHaan, Nebraska repeated as Big Eight champions. At the Midwest Regional held in Lincoln, NU finished second, allowing the Huskers to return to nationals for the first time since 1990. The Huskers placed 11th at the NCAA Championships, and Taylor became the sixth Husker in school history to earn All-America honors, placing 15th on bars.

Kendig's 1995 squad also earned considerable praise in the classroom. Nebraska was named NACGC academic gymnastics team champions, compiling a 3.561 team grade-point average, while seven Huskers were named to the Big Eight Academic Honor Roll, including Nicole Duval, who repeated as a first-team CoSIDA Academic All-American, and Taylor, who was named a second-team CoSIDA Academic All-American.

The 1996 Huskers closed the book on the Big Eight with a dominating performance at the final conference meet. Kendig was named coach of the year for the third straight season, and NU won its 12th and final Big Eight title. Individually, DeHaan and Taylor combined to win all four individual event titles, marking the first time that NU swept all four crowns at the conference meet. Taylor also won the all-around, while Misty Oxford was named Big Eight Newcomer of the Year.

After advancing to the NCAA Championships for the second straight season, the Huskers barely missed a bid to the Super Six by the slimmest of margins -- .025 of a point -- finishing 10th. DeHaan earned All-America honors on bars by finishing 11th. The 1996 squad also boasted a pair of first-team CoSIDA Academic All-Americans in Taylor and DeHaan, marking the third straight season NU had at least one academic All-American. Taylor, who was selected as the CoSIDA Academic All-American of the Year, and DeHaan both sported perfect 4.0 GPAs.

In 1997, Kendig's Huskers rewrote the record book, setting school records on each apparatus in posting a 22-2 regular-season mark, NU's best record in seven years. The Huskers, behind seven all-conference selections, captured the inaugural Big 12 title, as Shelly Bartlett won the all-around title and two event titles, while Heather Brink tied Bartlett for the bars crown and was selected as the Big 12 Newcomer of the Year.

After finishing third at regionals, the Huskers recorded one of the most memorable moments in school history at the NCAA Championships in Gainesville, Fla. After missing the Super Six Finals in 1996, the Huskers claimed a berth in the team championship by hitting all 24 routines in the preliminary session, forcing a tie with top-ranked Utah. Nebraska won the tiebreaker, which was the score of the sixth gymnast in each event, 234.725-234.350, to make its first appearance in the Super Six Finals in program history. The Huskers finished sixth, as Bartlett, Brink, Oxford and DeHaan captured 10 All-America awards.

fifth straight league title to mark the first time in Big 12 history a women's gymnastics team had won five titles in a row. Nebraska also paced the Big 12 in the classroom, as eight gymnasts earned academic All-Big 12 honors, including seven first-team honorees. Courtney Brown, Laura Ohlendorf and Oxford were named NACGC Scholastic All-Americans.

In 1999, Nebraska enjoyed one of the most successful seasons in program history, going 26-10, winning the Big 12 title and qualifying for the NCAA Championships. NU returned to the Super Six for the first time since 1997, finishing sixth, as Brink, Oxford and Brown earned eight All-America honors. In addition, four gymnasts captured Scholastic All-America honors, while all 10 athletes who were eligible for academic all-conference honors earned first-team or honorable-mention accolades.

The 2000 season was a special one for Kendig and the Huskers, as Nebraska celebrated its program's silver anniversary season with a 36-9 record, the first regional title since 1983 and a fourth-place finish at the NCAA Championships, equaling the best finish in school history. NU was ranked as high as third nationally, and set numerous team and individual school records. Individually, Heather Brink won the NCAA all-around and vault titles and became the first Husker gymnast to win the Honda Award, emblematic of the nation's top gymnast.

The Huskers reached new heights in 2001, smashing the school total team score record by more than three quarters of a point with a 197.75. NU topped the previous record team score seven times that year, highlighted by a commanding performance at the Big 12 Championships, where Nebraska set school records on bars (49.725) and team away scores (197.65).

In 2002, the Huskers finished with a 23-8 record, a fifth Big 12 title, a third consecutive regional title and a fifth-place finish at the NCAA Championships. NU's 2002 team excelled in the classroom as well, earning a team GPA of 3.4015.

Kendig's 2003 squad, arguably the strongest team Nebraska has ever produced, finished with a 27-4 overall record, a sixth Big 12 title, a fourth consecutive regional title and a fourth-place finish at the NCAA Championships at the Devaney Center. The Huskers set school team records on vault, floor and total scores with a stellar 198.30 against Iowa State. Simpson captured the NCAA all-around and floor titles to lead a group of seven gymnasts who earned a total of 16 All-America honors, the most awards Nebraska has received in a single year.

THE NEXT CHAPTER OF SUCCESS

Kendig entered his second decade as the Husker head coach in 2004, and NU compiled a 15-9-1 record and a second-place finish at the NCAA Southeast Regional in Lincoln. NU traveled to its sixth consecutive NCAA Championships, where NU finished in 10th place. Four gymnasts earned first- and second-team All-America awards at the NCAA Championships - Libby Landgraf (V, UB), Jamie Saas (BB), Kristi Esposito (AA, BB) and Michele Zabawa (V). Gina Bruce earned NU's only perfect 10.0 score on the vault versus Missouri on Jan. 31.

In 2005, NU followed up with a sixth-place finish at the NCAA Championships, working through adversity with the loss of an injured Simpson in the postseason. Four gymnasts grabbed seven All-America awards, as Parsons came away with first-team honors on floor and second-team accolades in the all-around, beam and vault. Esposito was a first-team honoree on beam, while Zabawa and Desire' Sniatynski earned second-team recognition on bars. Simpson, a nine-time All-American, was honored as the AAI American Award winner, making her the first Nebraska gymnast to accomplish such a feat. Simpson was also named Nebraska's Female Student-Athlete of the Year, earned a prestigious NCAA Postgraduate Scholarship and was honored with the NCAA Top Eight Award.

The 2006 season saw the Huskers go 26-11-1 in a fifth-place NCAA Championships finish. On the first day of national championship competition, NU finished first in its preliminary session for the program's best opening performance since 2003. Seven Huskers took home 10 All-America awards to close the year, with Parsons leading the way with first-team honors on vault, floor and the all-around. Tricia Woo was a first-team honoree on floor and a second-team winner on beam, while Vanessa Meloche took home first-team accolades on bars. Zabawa and Sniatynski also earned second-team All-America status on bars, while Stephanie Carter and Kylie Stone were named to the second team on floor and vault, respectively.

The Nebraska women's gymnastics team gave a strong finish to the 2007 season at the NCAA Championships in Salt Lake City, Utah, placing sixth in the team competition and taking away an overall record of 26-12 on the year. Four Huskers earned six All-America honors at the event, while three competitors qualified for individual event finals. Nebraska's appearance at the NCAA Championships was its ninth in a row and 18th overall. Emily Parsons continued her dominance through her junior year, as she was named a first-team All-American on vault and floor exercise, bringing her career total to nine All-America awards. Sophomore Tricia Woo earned first-team All-America honors on beam, giving her a career total of three All-America nods. Senior Michele Zabawa was the third Husker to take first-team All-America honors, being named to the vault team, and also earning a second-team spot on bars. In addition, junior Desire' Sniatynski garnered second-team All-America status on bars for the third consecutive year.

In 2008, Kendig led the Huskers to a third-place finish at the NCAA Southeast Regional in their 25th straight NCAA postseason appearance and a 10-4 overall record. Two Huskers earned three All-America honors and qualified for event finals at the NCAA Championships. Emily Parsons captured a first-team nod on beam and second-team recognition in the all-around and Sniatynski also garnered first-team All-America honors on bars. Additionally, Woo captured her first Big 12 title on beam.

In 2009, Kendig's Husker squad made a third-place showing at the NCAA Southeast Regional in their 26th straight NCAA postseason appearance. Junior Kylie Stone tallied the second All-America award of her career at the NCAA Championships in Lincoln. Throughout the season, the Huskers saw strong performances from veteran leaders as well as a glimpse of a bright future with NU's strong freshman class. As a result of the accomplishments of his team, Kendig was named the 2009 Big 12 Coach of the Year.

The Nebraska women's gymnastics team gave a strong finish to the 2010 season at the NCAA Championships in Gainesville, Fla., placing seventh in the team competition and taking away an overall record of 23-8 on the year. Six Huskers earned seven All-America honors at the event, while two competitors (Evenstad and Skinner) qualified for individual event finals. Nebraska's appearance at the NCAA Championships was its 19th overall in program history.

Kendig and Huskers posted another strong season in 2011, finishing with a 22-12 record overall. Kendig guided the Huskers to a fourth-place showing at the NCAA Championships, matching their best finish in school history. Nine Huskers earned 11 All-America honors at the event, while seven competitors (Erin Davis, Janelle Giblin, Jamie Schleppenbach, Maria Scaffidi, Emily Wong and Lora Evenstad) qualified for individual event finals. In NU's final season in the Big 12 Conference, Kendig was honored as the 2011 Big 12 Coach of the Year, the eighth such accolade of his career. He also guided the Huskers to their ninth Big 12 Championship - the first since 2007.

KENDIG'S HUSKER CONNECTION

Kendig's ties to Husker gymnastics date back to 1981, when he served as an assistant under Judy Schalk for three seasons. In his first stint at Nebraska, the Huskers won two Big Eight titles and made NCAA appearances in 1982 and 1983. The 1983 squad was one of only five NU squads in school history to win an NCAA regional.

In 1983, Kendig became the head coach at Indiana University of Pennsylvania, where he stayed until 1992. His teams captured NCAA Division II national titles in 1988 and 1989, won six regional titles and produced 37 All-Americans.

During the 1993 season, Kendig served as head coach at Cornell, where he coached three academic All-Americans. Kendig, who earned a bachelor's degree in physical education from Kentucky in 1979, then returned to his NU roots after the 1993 season. At that time, he also became an instructor at the Woodward Gymnastics Camp in Woodward, Pa. In his 34 years at Woodward, Kendig has advanced from an instructor to a program director to a master staff instructor.

Eichorst replaces legendary coach and athletic director Tom Osborne on Jan. 1, 2013. Osborne announced his retirement as Nebraska's athletic director on Sept. 26, after spending five years in the role.

"When I asked him how, if he were here five years from now, would I be able to measure his success, his response was that if the coaches and student-athletes had been successful and nobody knows his name, it would be a success."

Eichorst comes to Nebraska after spending 18 months as the athletic director at the University of Miami. He was named the 12th athletic director at Miami on April 12, 2011.

Eichorst went to Miami after serving from 2009 to 2011 as the Deputy Athletic Director at the University of Wisconsin, where his responsibilities under Director of Athletics Barry Alvarez included serving as the department's Chief Operating Officer and overseeing the day-to-day operations of the highly successful athletics program.

During Eichorst's time at the University of Wisconsin, the Badger athletic department consisted of 23 intercollegiate programs, 850 student-athletes, 320 full-time employees and operated from a $90 million budget.

Eichorst was involved in the design and planning of a new $36 million ice hockey/swim facility that was completed in the fall of 2012, as well as with the student-athlete performance center in the north end zone of Camp Randall Stadium which began construction in the fall of 2011 at a cost of more than $70 million. He joined the Badgers' staff in 2006 as a Senior Associate Athletic Director and was promoted to Executive Associate Athletic Director in 2007.

In his first year as Director of Athletics at Miami, Eichorst helped grow the academic reputation of an already sterling program with NCAA Top 10 recognition in Academic Progress Rates (APR) for five programs - football, baseball, men's diving, women's cross country and women's golf. During the 2011-12 academic year, 149 student-athletes made the Atlantic Coast Conference Honor Roll and 70 earned their degrees.

Under his watchful eye, the Hurricane Club grew by more than 500 members, surpassing 5,000 members nationwide and $19 million in student-athlete support was generated in 2011-12.

An additional $14.2 million in capital gifts was raised toward the Theodore G. Schwartz and Todd G. Schwartz Center for Athletic Excellence facility project, which is scheduled for completing in the fall of 2013.

During his first year, both the men's and women's basketball programs advanced to the postseason. The women posted the highest national ranking in school history (No. 5 overall) and advanced to the NCAA second round, while the men set a program record for conference wins and advanced to the NIT second round.

The women's tennis team advanced to the NCAA quarterfinals (Elite Eight) for the fourth straight season. The baseball program extended its NCAA postseason appearances streak to 40 consecutive seasons. The women's soccer team posted the first NCAA postseason win in program history, and the volleyball team advanced to the NCAA postseason for the third straight year and finished the season ranked 15th nationally.

Other accomplishments included long-term contract extensions for head football coach Al Golden, head men's basketball coach Jim Larranaga, and head women's basketball coach Katie Meier. Eichorst also coordinated a strategic review of all operations and reorganized the senior management team. Miami enhanced branding at Alex Rodriguez Park at Mark Light Field, the BankUnited Center and inside the Hecht Athletic Center. New scoreboards were also added at the James L. Knight Sports Complex and Cobb Stadium.

Eichorst previously worked at the University of South Carolina, serving as the Senior Associate Athletic Director for Administration from 2004 to 2006 and as the Interim Director of Athletics in June 2005.

Working with the Gamecocks, he oversaw the department's daily operations as well as the football (Lou Holtz and Steve Spurrier) and baseball (Ray Tanner) programs. The football team was bowl-eligible each year during Eichorst's tenure, and the baseball program competed in the 2004 College World Series. Additionally, he facilitated and supervised multi-million dollar facility projects, including a state-of-the-art football training facility, partnership/sponsorship agreements and substantial department organizational and policy growth.

A native of Lone Rock, Wis., Eichorst was an all-conference defensive back, three-time letterwinner and 1990 team captain for the UW-Whitewater football team. He graduated magna cum laude in business from UW-Whitewater in 1990 and earned a law degree from Marquette University in 1995.

In 2006, he was awarded the Sports Law Alumnus of the Year by Marquette. He also is a graduate of the Sports Management Institute and serves on its Executive Committee.

Eichorst practiced law in Milwaukee until 1999, when he was hired by UW-Whitewater as Director of Athletics, which he led until 2003. Under his tenure, UW-Whitewater developed into one of the nation's top Division III athletic programs, with four top 10 percent National Association of Collegiate Directors of Athletics (NACDA) Directors Cup finishes; one NCAA team championship; four NCAA team national runner-up finishes and seven individual NCAA champions. The program also featured an NCAA Student-Athlete of the Year for Wisconsin, 84 All-Americans, 38 Academic All-America selections and nine NCAA Postgraduate Scholarship winners.

He is a past member of the NCAA Division I Student-Athlete Reinstatement Committee and State Bar of Wisconsin Board of Governors. He also previously served as an assistant adjunct professor of law at Marquette University Law School, where he taught classes in sports law. He currently serves on the Marquette University National Sports Law Institute Board of Advisors.

Eichorst and his wife Kristin have three sons: Jack, Joseph and Bennett.

"Janelle has positioned herself to have a great senior year," Head Coach Dan Kendig said. "Her strengths have been the fact that she's clean and she has the ability to perform great landings. This could be a great year for her top-to-bottom."

2012 • JUNIOR SEASON

Giblin was one of Nebraska's top competitors in 2012, earning first-team All-America honors on vault and second-team accolades on bars. Giblin was ranked in the top five nationally for much of the season on both apparatuses and finished in sixth place at the NCAA Individual Event Finals on vault, averaging a 9.7625 between two vaults.

"Kassandra has been bit with some injuries the last couple years, but she looks as good as she's looked," Head Coach Dan Kendig said. "She's strong and she can help us on bars and beam. I'm more excited about what she brings to our beam team than anyone else. She's aggressive and she's confident."

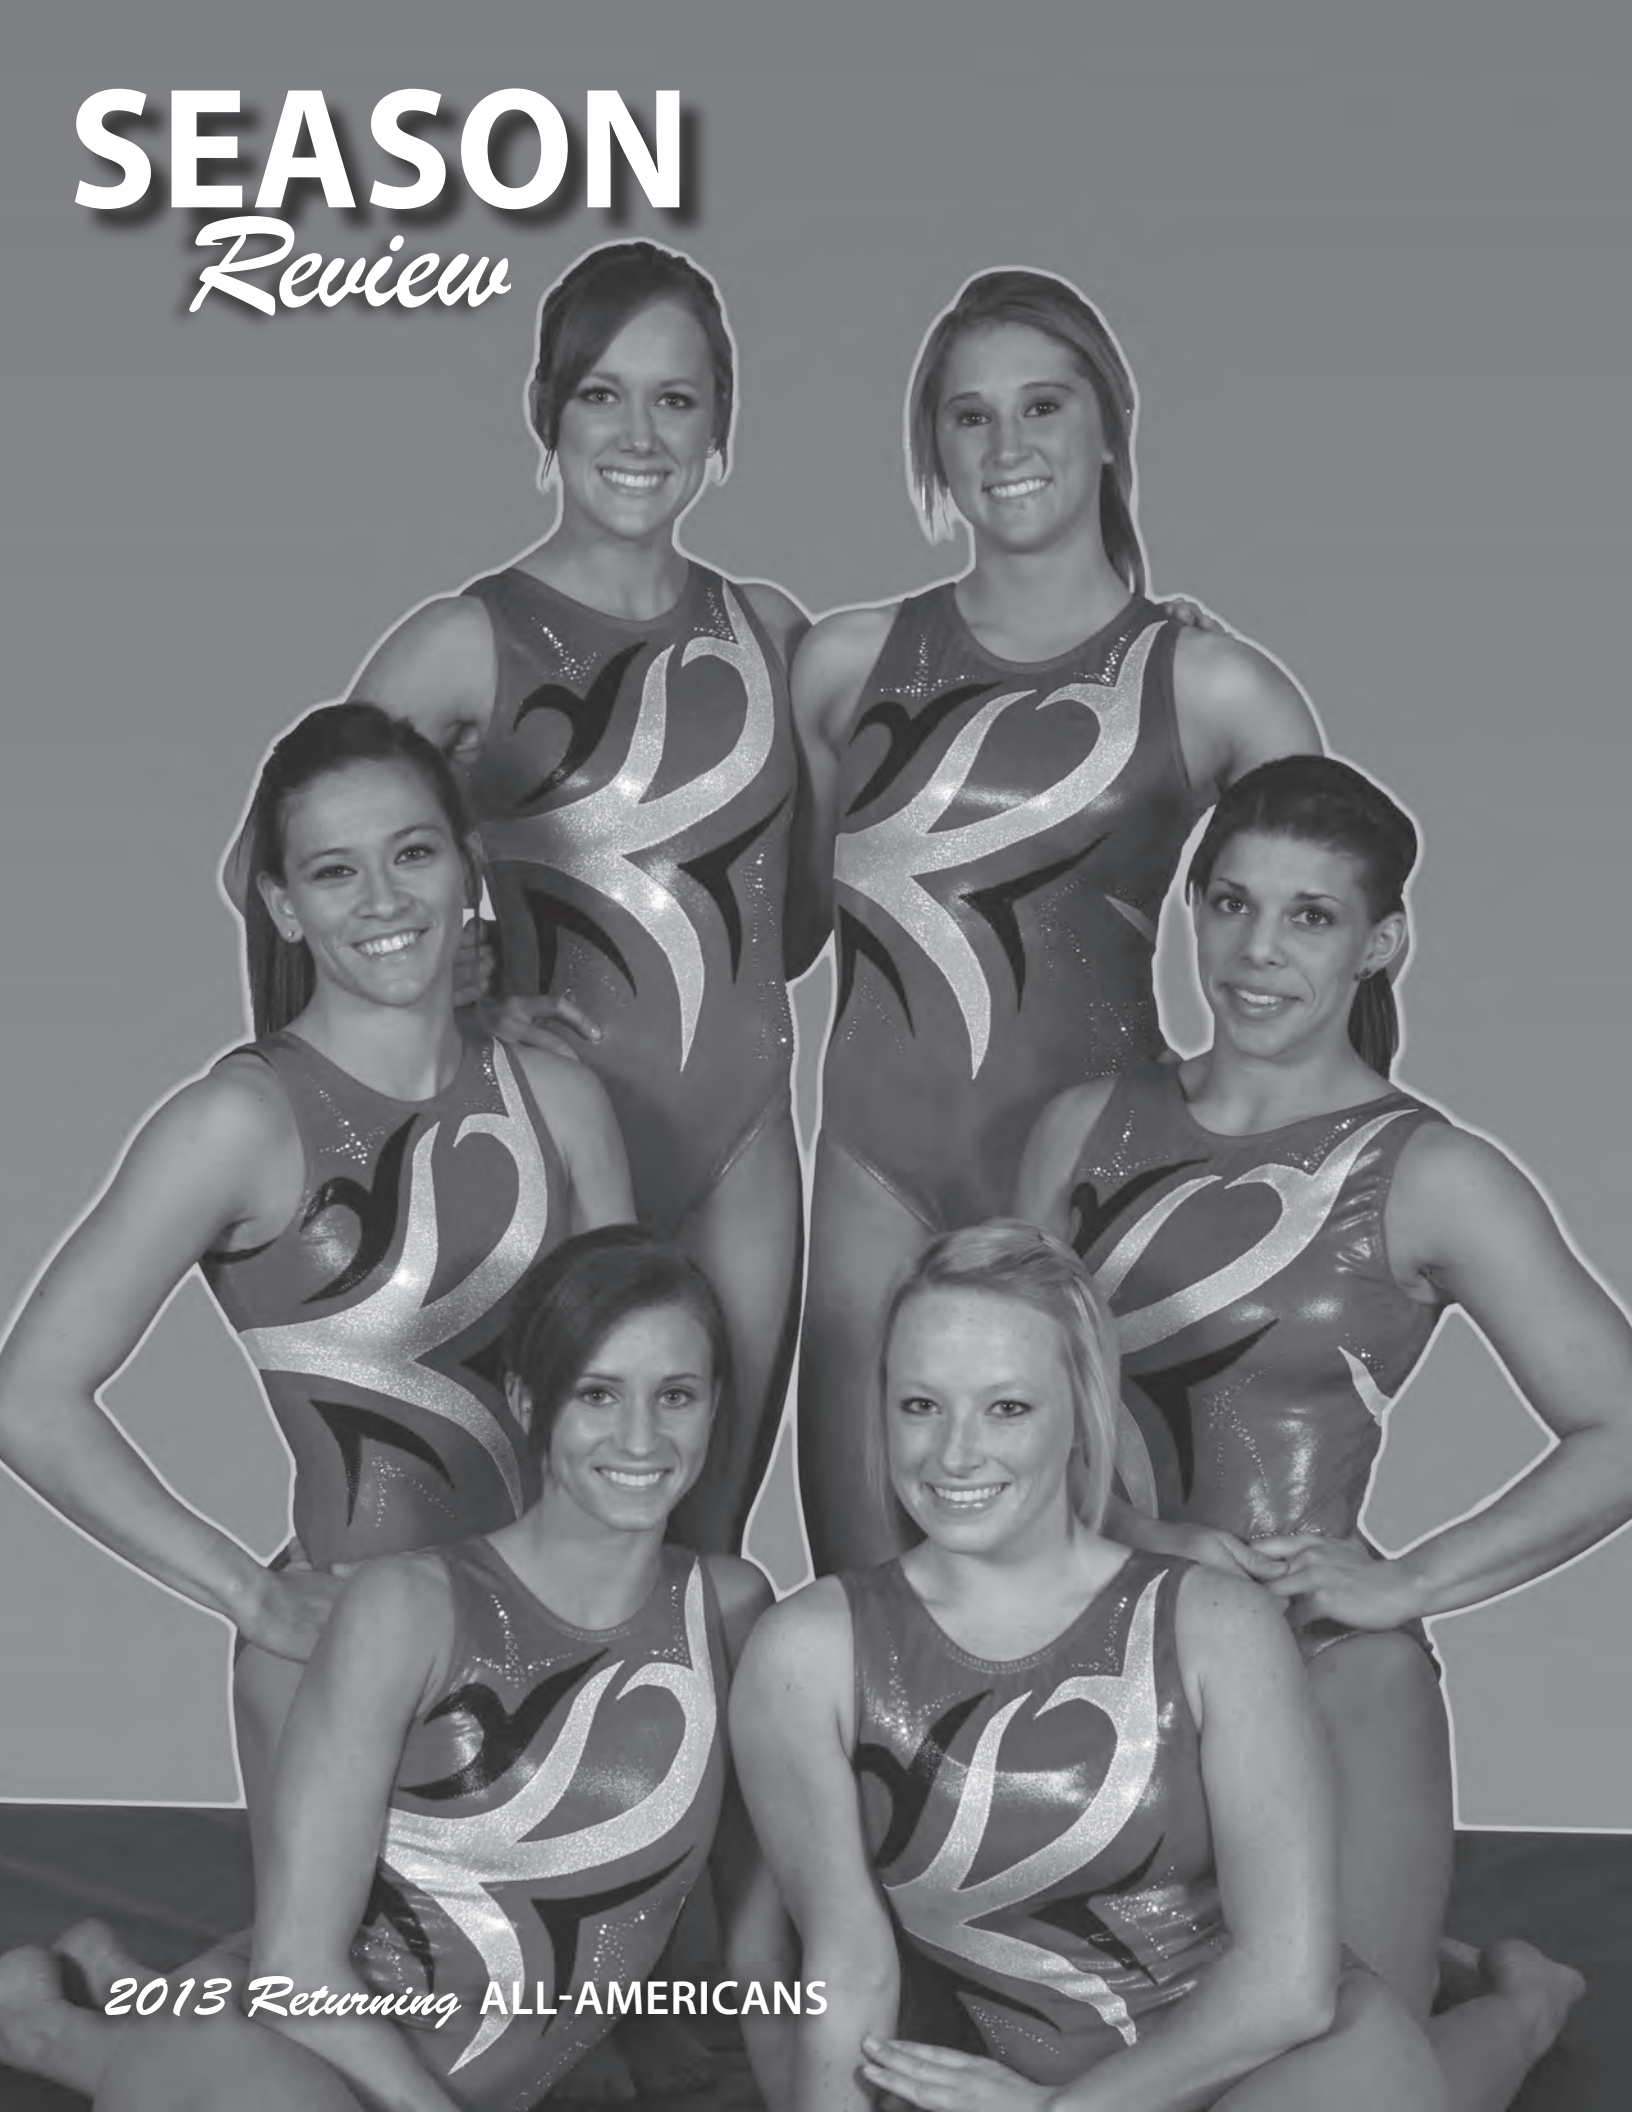
SEASON *Review*



2013 Returning **ALL-AMERICANS**

NEW CONFERENCE, SAME EXCELLENCE FOR NU IN 2012

The Nebraska women's gymnastics team didn't hold back in their first season of Big Ten competition, capturing the conference championship and taking second at the NCAA Salt Lake City Regional en route to an eighth-place finish at the NCAA Championships in Duluth, Ga. Jessie DeZiel, Janelle Giblin and Emily Wong garnered eight total All-America honors at the Championships while also qualifying for individual event finals. NU's appearance at the NCAA Championships was its 21st in program history, while the team's Big Ten championship marked the program's 22nd conference title since 1975.

Senior Lora Evenstad finished her decorated Husker career at the NCAA Championships in Duluth. The two-time All-American from Grand Forks, N.D., brought a high level of consistency to the 2012 Husker squad as she competed primarily on vault, bars and floor. Evenstad matched or set career highs on four events throughout the season: bars (9.925), beam (9.875), floor (9.925) and all-around (39.475). In addition, the senior brought home a total of 10 event titles throughout the season, including five on bars and four on floor.

Evenstad affirmed her position as one of the top competitors in the conference throughout the season, earning first-team All-Big Ten honors prior to the conference championships. At the Big Ten Championships, Evenstad brought home conference titles on bars (9.925) and floor (9.900) and earned All-Big Ten Championship accolades on the same pair of events. Evenstad was also a force in the classroom, earning academic All-Big Ten honors during her final year as a Husker.

Katelyn Busacker joined the Huskers in the fall of 2011 and added immediate depth to NU's bars and beam lineups. The native of Papillion, Neb., was a three-year letterwinner at Ball State before transferring to Nebraska. Busacker competed in five meets for NU during her senior season, posting a season-high 9.625 on bars against Iowa State and adding a 9.825 on beam against Oklahoma. Busacker also competed for the Big Red at the NCAA Salt Lake City Regional and in the NCAA Semifinals.

Janelle Giblin continued to establish herself as one of Nebraska's most consistent and skilled threats in her junior season, capturing first-team All-America honors on vault and second-team accolades on bars in 2012. Giblin showcased her talent on both apparatuses throughout the season, picking up a total of five vault titles and nine bars titles as well as one all-around. The junior captured or matched career highs on all four events as well as in the all-around. One of Giblin's strongest competitions came against Iowa State on March 16, when she posted career highs on vault (9.950), bars (9.950) and floor (9.875) en route to a career-best all-around score of 39.525. Giblin's efforts paid off at the end of the season, as she picked up first-team All-Big Ten honors as well as a spot on the All-Big Ten Championship team on bars. Giblin rounded out her excellent season with a pair of All-America honors at the NCAA Championships as well as a sixth-place finish on vault (9.7625) at the NCAA Individual Event Finals.

Brittany Skinner brought big skills and dependability to the 2012 Husker lineup, competing in all but one meet for the Big Red and seeing action in all-around competition eight times. Skinner set or matched career highs on three events during the season (vault, 9.925; bars, 9.825; beam, 9.875), as well as in the all-around (39.350). Skinner wrapped up her junior season by competing at the NCAA Championships for the third time during her career at Nebraska.

Junior Kassandra Nathe was unable to compete in 2012 due to injury.

Sophomore Deanna Barmore contributed extra depth to the NU vault lineup in 2012, appearing in three meets at the early in the season. Barmore's mark of 9.875 on vault was her best during the season and was also a career best.

Jamie Schleppenbach continued her work as one of Nebraska's top vaulters in 2012, while also competing in the all-around in every regular season meet for the Big Red. Schleppenbach brought home three individual vault titles in 2012 while also adding one beam and one all-around title. Perhaps her best performance of the year came against Utah on March 9, when Schleppenbach posted career-high marks on three events en route to winning the vault (9.950), beam (9.900) and all-around (39.575) titles on the day. Schleppenbach's performance helped boost the Huskers to a 197.600-197.450 upset win over the Utes in Salt Lake City and earned her Big Ten Gymnast-of-the-Week honors for March 12. Schleppenbach earned second-team All-Big Ten honors during the regular season and added a spot on the All-Big Ten Championship team on vault following the conference meet. Schleppenbach was also recognized as an academic All-Big Ten selection.

Emily Wong solidified her role as one of Nebraska's top all-around competitors in 2012, capturing first-team All-America honors on beam while adding second-team accolades on floor and in all-around competition. Wong competed in the all-around 12 times throughout the course of the season, picking up two individual all-around titles while adding five crowns on beam, three on floor and one apiece on bars and vault. One of Wong's finest performances of the year came at the Big Ten Championships, where the sophomore won beam (9.900) and floor (9.900), on her way to Nebraska's first Big Ten individual all-around title (39.600). Wong's efforts earned her a spot on the All-Big Ten Championship team on vault, beam, floor and in the all-around. Wong also picked up first-team All-Big Ten honors as well as academic All-Big Ten accolades from the conference. Wong wrapped up her season by capturing the beam title (9.875) at the NCAA Salt Lake City Regional and finishing in 10th on beam (9.825) in the NCAA Individual Event Finals.

Freshman Jessie DeZiel had a stellar first season with the Huskers, winning a staggering 23 individual event titles, including seven all-around crowns. DeZiel earned first-team All-America honors on floor and all-around at the 2012 NCAA Championships while adding second-team accolades on vault. DeZiel was one of Nebraska's top performers on floor and vault, bringing home eight floor titles and an additional five vault titles throughout the season. She was named Big Ten Freshman of the Week nine times during the season and earned another two Big Ten Gymnast-of-the-Week awards. DeZiel was named Big Ten Freshman of the Year at the 2012 conference championships, adding to her first-team All-Big Ten selection and her All-Big Ten Championship team honors on floor and all-around. DeZiel's season-best marks on vault (9.950), floor (9.950) and in all-around (39.600) were also the top scores for the Huskers on the season. DeZiel finished her year by capturing the vault, floor and all-around titles at the NCAA Salt Lake City Regional and finishing sixth nationally on floor (9.900).

Freshman Amanda Lauer joined the Huskers for the 2012 season and spent the year expanding her skills to make the transition to collegiate gymnastics.

Jennifer Lauer contributed on vault, beam and floor during her first season with the Huskers. Lauer competed for the Huskers at the NCAA Salt Lake City regional on vault (9.850), beam (9.800) and floor (9.725) for the Big Red. The freshman also took to the beam for the Huskers at the NCAA Semifinals, finishing with a score of 9.825.

Desiré Stephens saw limited action in 2012, giving the Huskers depth on vault. The freshman competed on vault against Minnesota, posting a score of 9.825.

Head Coach Dan Kendig led the Huskers to a 24-7 record on the season, bringing his career record through 19 seasons at Nebraska to 440-170-4. Kendig, the winningest coach in Nebraska women's gymnastics history, has coached 40 All-Americans to 121 first- or second-team honors.

NEBRASKA'S NCAA CHAMPIONS

Michele Bryant: NU's First Champion

Michele Bryant will forever hold one distinction that no other Husker female gymnast can claim - Nebraska's first female NCAA gymnastics champion.

Michele Bryant
1990 NCAA Vault Champion

A native of Blue Springs, Mo., Bryant became the first female gymnast in school history to win a national title, capturing the NCAA vault championship with a score of 9.85 at the 1990 NCAA Championships in Corvallis, Ore. Bryant's vault score also set a Nebraska school record held until 1994.

Bryant's NCAA championship capped an impressive Husker career that saw her earn three first-team All-America honors and four Big Eight Championships.

A four-time all-conference selection, she led Nebraska to a 59-20 regular-season record and four Big Eight championships during her collegiate career. It was the first time a gymnastics team had won four straight conference titles in Big Eight history.

At the national level, the Huskers also qualified for the NCAA Championships all four years she competed, the first time in school history the Huskers qualified for nationals in four straight years, while guiding the Huskers to a pair of top-five finishes. As a junior, Bryant earned first-team All-America honors on uneven bars, as the Huskers finished fourth, their best finish in school history. In addition to her vault title, she placed sixth on uneven bars, becoming the first Husker gymnast to earn All-America honors in consecutive seasons, as the Huskers finished fifth at the 1990 NCAA Championships.

The first three-time All-America gymnast in school history, Bryant shared the Big Eight all-around title with fellow Husker Lisa McCrady in 1989 with a score of 38.90, while winning the balance beam title as a junior and the vault title as a senior. She finished her career as Nebraska's school record holder in the all-around (39.00) and vault (9.85).

Bryant's contributions to Husker athletics were recognized with her selection as one of Nebraska's 25 Women of Distinction during the Athletic Department's 25-year celebration in April of 2000. Bryant married John McJunkins in 2005 and has a son, Austin (11), a stepdaughter, Johnna (14) and a stepson, Jaryd (7). She currently works as an accountant in Benton, Ark.

Heather Brink: The Best of 2000

The 2000 season was the culmination of an outstanding career for gymnast Heather Brink. The senior from Lincoln permanently etched her name into the record books, winning two national titles at the NCAA Championships in Boise, Idaho, as the Huskers placed fourth at nationals – equaling their best finish in school history.

Heather Brink
2000 NCAA All-Around
and Vault Champion

Brink became the first Husker female to win an all-around national title, scoring a 39.60 to lead the Huskers to the Super Six Finals for the third time in four years. Entering the final event, Brink was in third place and needed a 9.925 for a share of the all-around title. Brink came through with the finest routine of her career, scoring a 9.95 and equaling NU's school record to win by .025 of a point.

In the Super Six Finals one night later, Brink was flawless, posting the top score of the evening with a 39.625, including a 9.95 on vault and a 9.925 on uneven bars, as the Huskers recorded their best finish in 11 years. In the event finals, she won her second NCAA title, placing first on vault with a 9.95, while finishing second on uneven bars (9.925) and eighth on floor exercise (9.80). Overall, she earned five All-America citations (four first-team and one second-team).

For her efforts, she was selected as the Honda Award winner, representing the nation's top female collegiate gymnast. Brink joined softball standout Denise Day (1985) and volleyball players Karen Dahlgren (1987) and Allison Weston (1995) as NU's fourth Honda Award winner. Greichaly Cepero won NU's fifth Honda Award in 2000, as the nation's top volleyball player, while Sarah Pavan added honors in 2006.

The 2000 Big 12 and Region 3 Gymnast of the Year, Brink posted eight of the top 10 all-around totals in school history, including a school record of 39.70 at the NCAA Regional. She also became the first Husker gymnast to score a 10, recording the mark on vault against Iowa State on Feb. 15, one of three 10s during the season. She closed her collegiate career as the most decorated gymnast in school history, earning two NCAA titles, 11 All-America awards, six regional titles and eight conference titles.

Brink joined the Nebraska staff as assistant coach before the 2012 season. She and her husband have two sons, Jaxon (6) and Hunter, who was born in November of 2011.

Richelle Simpson: The Nation's Finest

Husker Richelle Simpson holds a special place in Nebraska gymnastics history after her record-setting performances in 2002, 2003 and 2005.

Richelle Simpson
2003 NCAA All-Around
and Floor Exercise Champion

As the only Husker gymnast to ever earn first-team All-America honors on all five events in the same year, Simpson garnered five first-team awards at the 2003 NCAA Championships, leading the Huskers to a fourth-place national finish at the Bob Devaney Sports Center.

Entering the week of the championships as the nation's top-ranked all-arounder, she captured the NCAA all-around crown with a 39.675, edging out 2002 NCAA Champion Jamie Dantzscher of UCLA, who earned the top all-around performance in Session I of the NCAA Preliminaries with a 39.65.

Simpson became Nebraska's second all-around champion in school history, joining Heather Brink, who won the title in 2000.

At the NCAA Super Six Finals, Simpson went on to dominate the competition, producing the top individual performance with scores of 9.925 or better on all four events for an all-around total of 39.80. In the individual event finals, Simpson added an NCAA individual floor title (9.963) to her arsenal of accomplishments.

After being granted a medical hardship year in 2004 by the NCAA, Simpson returned with a vengeance in 2005, leading NU to a first-ever No. 1 ranking after the Masters Classic.

The Toronto, Ontario, native provided an unmatched spark in Nebraska's run to the NCAA Super Six Finals, as the Huskers reclaimed the Big 12 Conference championship.

Simpson, the 2005 South Central Regional Co-Gymnast of the Year, holds records in four categories on Nebraska's all-time charts.

Simpson also became NU's first AAI American Award winner in 2005, an honor annually given to the nation's top gymnast on the basis of athleticism, academic excellence and civic responsibility.

She capped her career by earning the first NCAA Top Eight Award in the history of Nebraska women's gymnastics. Simpson became NU's nation-leading 15th student-athlete across all sports to win the Top Eight Award, which is the highest honor given by the NCAA.

Simpson was also the Big 12 Female Sportsperson of the Year, Nebraska's Female Student-Athlete of the Year and was awarded NCAA and Big 12 Postgraduate Scholarships at the conclusion of her final season in 2005.

Simpson now lives in Las Vegas and performs in the Cirque du Soleil show *Mystère* with former Husker gymnast A.J. Lamb. Simpson made her debut with Cirque du Soleil in September 2006 and specializes in Chinese poles and the teeterboard.

NEBRASKA'S ACADEMIC ALL-AMERICANS

For Head Coach Dan Kendig and the Nebraska women's gymnastics program, academic success is as paramount as athletic accomplishments. With nine gymnasts named CoSIDA Academic All-Americans and 26 women capturing 71 NACGC Scholastic All-America Awards since 1994, the Huskers have maintained a high standard of academic excellence and set high expectations at the University of Nebraska.

In Kendig's 18 years at NU, 59 gymnasts have been named NACGC Scholastic All-Americans.

Since 1988, nine Husker gymnasts have earned CoSIDA Academic All-America recognition, while Nebraska boasts a nation-leading 299 academic All-America honors across all sports.

Mary Ocel was the first NU gymnast to earn academic All-America status, garnering third-team honors in 1988 with a 3.9 GPA. Jane Clemons earned a third-team spot in 1990 with a 3.663 GPA in addition to her Big Eight all-around title that year. In 1993 and 1994, Nicole Duval was named a third-team academic All-American before garnering first-team accolades as a senior, becoming the only Husker to ever earn the scholastic honor three times.

Joy Taylor, the 1996 Academic All-American Gymnast of the Year, graduated with a 4.0 GPA in biological sciences in 1996. A two-time academic selection, she was the first Husker female gymnast to earn both athletic and academic All-America honors in the same season. Her teammate, Kim DeHaan, who was a first-team academic selection, followed in Taylor's footsteps by earning scholastic and athletic honors in the same season.

Bree Dority O'Callaghan captured third-team academic All-America and second-team All-America honors on the uneven bars in 2001. She graduated in August 2003 with degrees in economics and finance.

In 2002 and 2003, Jen French was named to the academic All-America second team, while her teammate Libby Landgraf was named first-team academic All-American in 2004, becoming the eighth honoree.

Richelle Simpson is the most recent Husker to earn academic All-America honors. One of the finest student-athletes in NU history, she was named to the second team and earned a multitude of national awards in her junior and senior seasons.

The 2000 Huskers finished the season with a 25-5 record en route to a program-best-tying fourth-place finish at the Super Six Finals. In addition, Heather Brink became the second Husker to win a national title and the first to capture the all-around title. Brink, who also placed first on vault, became the first gymnast in school history to garner All-America honors four straight years. Overall, six Huskers walked away with nine All-America awards.

This is NEBRASKA

Nebraska gymnastics has built a reputation as one of the nation's elite programs. The Huskers are one of only six teams to qualify for the Super Six Finals at least 10 times over the last 16 years.

The Huskers have won 12 conference titles in the past 16 years, while advancing to the NCAA Championships 13 times during that span. Overall NU has won 21 conference titles and qualified for 19 NCAA Championships.

But winning titles is just a small part of Nebraska's all-around success. Husker gymnasts have captured 13 CoSIDA Academic All-America honors and have won the most prestigious academic honors the NCAA has to offer - including the NCAA Today's Top Eight Award.

Husker gymnasts are also outstanding citizens who regularly volunteer their time to give back to the community and prepare for success in life after sports.

The 2011 Nebraska women's gymnastics team (main photo) finished fourth at the 2011 NCAA Championships in Cleveland, Ohio, tying the highest finish in school history.

Desiré Sniatynski was a four-time All-American for Nebraska and helped lead Nebraska to the 2007 NCAA Super Six Finals.

Richelle Simpson (bottom middle) made history in 2003 when she became Nebraska's second NCAA all-around champion and first NCAA floor champion, while leading the 2003 Huskers (top right) to a fourth-place finish at the NCAA Championships.

The 2011 Huskers (middle right) captured the Big 12 Championship in their last season as a conference member.

Libby Landgraf (bottom right) captured CoSIDA Academic All-America honors for the Huskers in 2004. Landgraf was also a six-time All-American for Nebraska.

GYMNASTICS

ACADEMIC SUCCESS

The success of Nebraska student-athletes reaches far beyond athletic competition. More Husker student-athletes have been selected to CoSIDA Academic All-America teams (299) than any other school in the nation, and Nebraska has produced more NCAA Top Eight Award winners (16) than any other school. As it enters its second season of Big Ten Conference competition in 2012-13, Nebraska continues to set the standard for the approximately 1,400 NCAA member institutions.

THE NEBRASKA ACADEMIC EXPERIENCE

From the day student-athletes decide the University of Nebraska is the right place to be, the athletic academic counseling unit provides personal and academic support to ensure that student-athletes will get the most out of their years as Huskers. Featuring one of the most innovative and comprehensive support systems in the nation, Nebraska is dedicated to helping its student-athletes become outstanding leaders. The academic support team is comprised of 13 full-time staff members and a tutorial staff of approximately 75 tutors addressing all subject areas.

Academic Counseling
Eight academic counselors and three assistant academic counselors are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/registration process and monitor continuing eligibility and progress toward graduation. Essentially, academic counselors assist student-athletes in navigating the University of Nebraska system.

Tutorial Support
A tremendous resource for all academic abilities, unlimited tutorial support is available from day one up to college graduation. Subject and mentor tutors help provide academic support and study strategies to be successful. Supplemental Instruction, a sub-component of the tutorial program, provides targeted group review sessions to help ease the transition to college academics while improving study strategies and building academic self-esteem.

Study Hall
Nebraska's study hall program is housed in the D.J. Sokol Enrichment Center within the Dick and Peg Herman Student Life Complex. Student-athletes attend a supervised, flex-time study hall that features day, evening and weekend hours. Each student-athlete is required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. In addition, weekly study hall reports are provided to the coaching staff. Additional performance-based or tutor-based study hall may also be determined by the academic counselor.

Mentoring
Many student-athletes meet with a mentor on a weekly basis to assist in making a smooth transition from high school to college. Mentors collect syllabi, gather and report academic progress information and teach academic success strategies.

Educational Assessments
Assessments are administered upon the request of the student-athlete, academic counselor, or coach to determine student strengths and areas for improvement. Results allow academic counselors to develop a personalized academic support program and to determine if more in-depth testing is warranted. When additional assessments are necessary, referrals are made to a consulting psychologist who conducts the assessments. If it is determined that a student-athlete has a learning disability, appropriate accommodations are made through the Office of Services for Students with Disabilities.

Student-Athlete Orientation
The academic staff coordinates New Student-Athlete Orientation to help newcomers adjust to the multiple demands of being a college student-athlete. Presentations are made by academic counselors, compliance officials, NU faculty and administrators, business/community professionals and student-athletes.

Personal Counseling
Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

Computer Resources
Student-athletes enjoy a new state-of-the art computer lab and technology center with 58 computers and professional supervision. Laptops are also available during team travel. Student-athletes have the benefit of ongoing education and assistance from a full-time computer technician.

In 2012, Husker sophomore gymnast Desire Stephens (above, right) earned a prestigious Nebraska Student-Athlete HERO Leadership Award, which was presented to her by former Athletic Director Tom Osbore (above, left). The HERO Leaderhip Awards recognize the top NU student-athletes across all sports for their commitments to the Nebraska Life Skills program.
